Session 3 – 10AM
February 10, 2021
February 25, 2021

Session 4 – 10AM
March 17, 2021
March 31, 2021

Tabletop Exercise
April 21, 2021

In order to participate in the Tabletop Exercise the representative must have attended **ONE** of each of the four sessions above.

Description of Course:

Hospital Incident Command System (HICS) is an incident management system based on principles of the Incident Command System (ICS), which assists hospitals and healthcare organizations in improving their emergency management planning, response, and recovery capabilities for unplanned and planned events. HICS is consistent with ICS and the National Incident Management System (NIMS) principles.

Sessions:

1. HICS Overview
2. Command and General Staff
3. The Incident Action Plan
4. Response Guides and Job Action Sheets
5. Tabletop Exercise

Instructor: Pete Svoboda
Medically Vulnerable Populations Coordinator
Central VA Healthcare Coalition

All sessions will be an hour long and will be virtual. Webinar information will be emailed out prior to class start date. Please view the [CVHC Calendar](#) for more information and the registration links. Please note while these courses are introductory a base knowledge of the HICS system would be beneficial to the student.
