To Whom It May Concern:

This letter serves as documentation to assist surveyors, facility leadership and staff as well as local and state emergency professionals in the review of documentation supporting this facility's participation in the 2021 Virtual Highly Infectious Disease Tabletop developed by the Central Virginia Healthcare Coalition (CVHC).

Enclosed, you will find the following documents demonstrating the successful participation of this facility in both the Tabletop Exercise as well as other supporting documentation outlined below:

1. **Tabletop Exercise SITMAN**
2. **Tabletop Exercise After Action Report:** Contains facility-specific lessons learned and improvement plans.
3. **Tabletop Exercise List of Participating Agencies**

The above documentation has been provided by CVHC for participating organizations. As the COVID-19 response continues, Organizations will continue to add to their documentation. You are encouraged to review the enclosed documents as they have been compiled by this facility to ensure the standards for the exercise requirement are being met.

Any questions that are not answered by these documents may be addressed to the Central Virginia Healthcare Coalition. CVHC is the VDH designated healthcare coalition in the Central region area of Virginia. More information is located at [www.central-region.org](http://www.central-region.org).
