

VHASS Communications Drill – Medically Vulnerable Populations (Non-Hospital)

February 7, 2024 @ 9:00 am – 12:00 pm

The Regional Healthcare Coordination Center (RHCC) will be conducting a February regional emergency communications drill with all healthcare organizations that serve medically vulnerable populations (Long Term Care, Dialysis, Hospice/Home Health, Ambulatory Surgery Centers, ICF/IID, etc.) on Wednesday, February 7, 2024 @ 9:00 am – 12:00 pm

At 9AM on Wednesday, **February 7, 2024**, the RHCC will create a VHASS Event called “*Regional Communications Drill – February 7, 2024*” and send a text message alert to all users with an active VHASS alerting profile. Participating organizations will have a 3-hour window to participate in the drill. Completing the communications drill takes approximately 2 minutes.

To assist with regulatory and accreditation documentation, organizations who complete the below steps will receive written certification of their participation in the emergency communications drill from CVHC.

To participate in the drill:
